

The Honors Trip

Iceland
May 2017

Our first day in Iceland

The Continental Divide

At the Hot Springs

The Blue Lagoon

Reykjavik: our home base

Icelandic Ponies loved us

Geysirs blast away!

Prof. Rachel Schwartz and a student check out a photo

The Wild Coast

Shapeshifters at the Settlement Museum

Out in the wild

Icelandic dog makes new friends

Natural beauty
everywhere

Reykjavik at Night—never really dark!

On the rocks: Basalt, South Coast

Falls: front and from behind

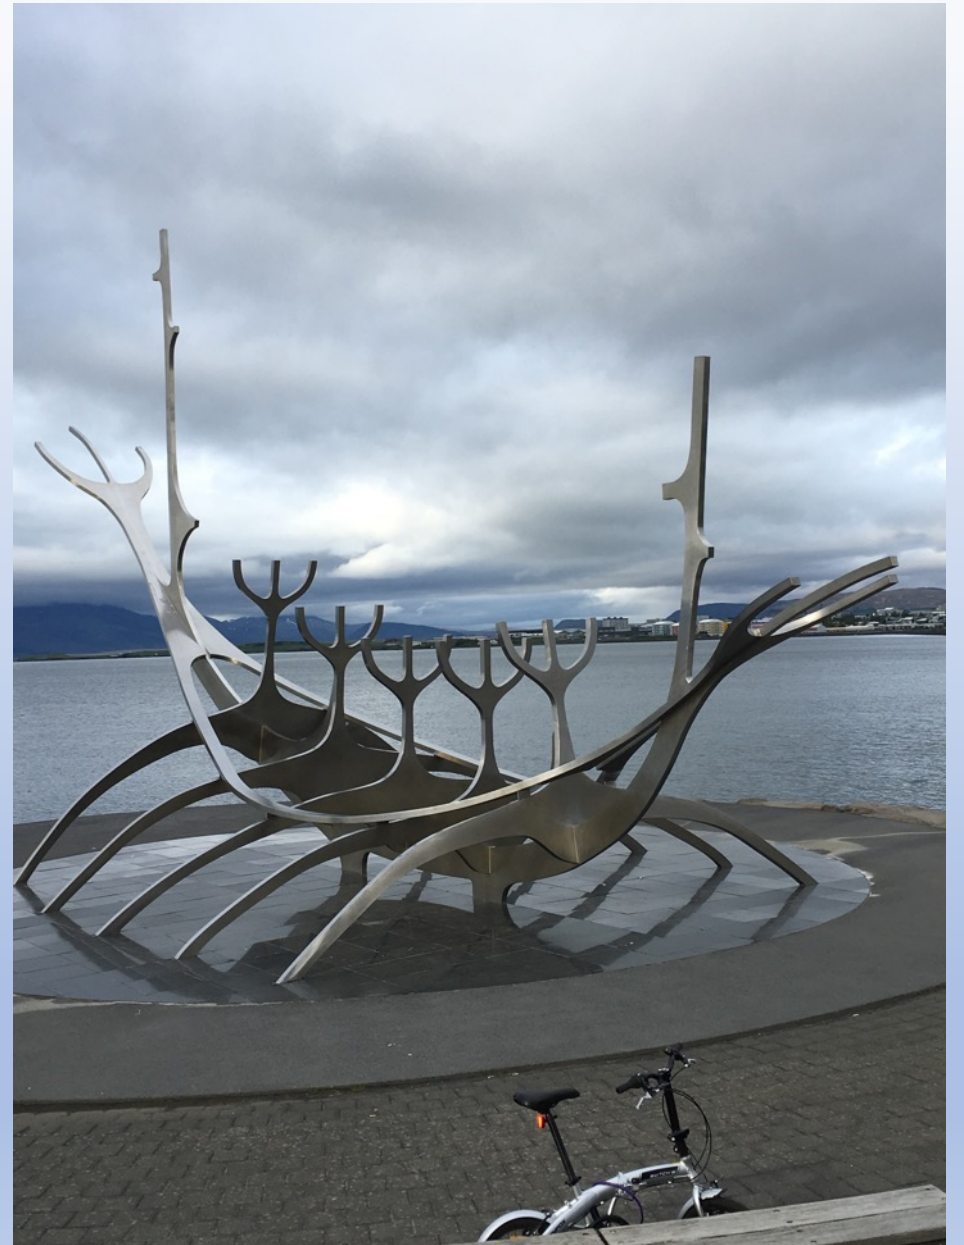

Little houses for wee folk

Inside the Aurora Borealis Museum, Reykjavik

Street art and Vikings

The Magic of Iceland

The Honors Trip: a trip of a lifetime!

Where will we go next...?
